Photos from April 2016 Vigil Procession for Life

Thank you all who came out to our April Procession for Life. Special thanks goes out to Fr. Barone, for his faithfulness and for leading this procession.

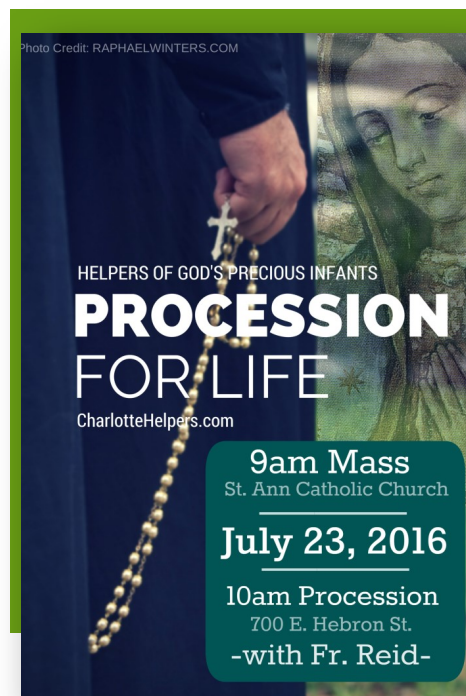

One of the clinic "escorts" came up to film (i.e. intimidate) us and told Father to "go home." Before we ended our prayer time Father sprinkled holy water and blessed salt along the sidewalk while reciting additional prayers.

One day we will see this facility close down; in the meantime our job is to show up, be faithful in our pro-life work, and pray.

*During our final judgement
when God asks you, "What
did you do when my children
were being destroyed?
Were you there?"*

—Msgr. Philip Reilly

A woman stopped by Msgr. Reilly and showed him her ultrasound picture of her 4 month old child. She said she came to the clinic for an abortion appointment but decided to keep the baby after seeing the display and Monsignor praying silently next to it. She thanked him and

said please do not stop what you are doing. After she left, Msgr. Reilly said with a smile, "This is why we are in a public square and specially here at the sidewalk. A life saved is a generation saved and huge in the eyes of God."

While outside one of the abortion mills in England, Monsignor Reilly was approached by a Police officer. He told him that everyone inside the abortion center was disturbed by what was going on outside. Monsignor replied: "What, everyone?" "Yes, the police replied. "Oh wonderful", said Monsignor Reilly.

Monsignor telling this mother about this box of babies taken as medical waste.
