Help Resources

Pregnant?

Need Help?

**SAFE HAVEN**

All 50 states have safe haven laws. Safe haven laws allow mothers in crisis to leave their newborns in a safe environment, such as a hospital or fire station, without questions or repercussions, as long as there are no signs of abuse. Call 1-888-510-BABY.

More information also is available at NationalSafeHavenAlliance.org or SafeHavenLaw.com.
